2013-2014 APARTMENT INFORMATION

Welcome! We have apartments available for over 350 PSU students for the 2013-2014 school year. We manage the nicest apartments and houses in the closest locations surrounding campus. Stoppe Management Services' apartments are a more affordable and more spacious alternative to comparable university owned student apartments. Most apartments have new kitchens with dishwashers and new bathrooms. Stoppe Management Apartments are the closest to campus. All utilities are included on all apartments. We have the best selection of 4 person apartments. Many apartments can connect to other apartments for groups of 2 - 12+ in a single house. Apartments are also available through the summer. See pricing info below.

If your group decides to take an apartment you will need to pay at least \$300.00 of the security deposit upon signing the lease. People in your group can split the initial \$300.00 needed or one person may put down the deposit. The security deposit is \$300.00 per person and is returned after the end of the lease. The balances of the deposits are due within 1 week of signing the lease. Financial aid payment plans are available for the rent. If you receive financial aid for your on campus housing then you can receive the same amount for your off campus apartment. If you currently rent from us your deposit will transfer to your next school year apartment.

Call between the hours of 9:00am to 5:00pm weekdays to set up an appointment to view the apartments with your group. We will be showing apartments weekdays between the hours of 11:00am to 6:00pm. We will also be showing apartments from 1:00pm to 5:00pm on weekends through the renting season. Please set up the appointment when your whole group can be there. Our office is located at 40 Highland Street next to the fire station. Hurry for the best selection of apartments as they usually rent quickly. If you have questions feel free to call us at 536-2479.

Hope to see you, Arlene, Don, Jim, Melissa, Zac, and Ashlie
